Trinity Health
Open the Wi-Fi properties from the top bar. Click “CHE-CLINICAL” to join the wireless network.

You will be prompted to enter username and password. Enter your Network or Active Directory Username and Password (Your PC login ID and password).

After accepting the certificate, switch from the WiFi Network screen to your Safari Browser. Browse to your favorite website other than Google.com (like https://www.cnn.com). You will be redirected to the screen below.
Click “Install root certificate”.

Then Enter your Network or Active Directory Username and Password (Your PC login ID and password).

You will be prompted to Install “Trinity Health Mobile Device Enrollment”

Press Continue

You will be asked “are you sure?”

Press Install
You will be prompted to Install “Trinity Health Mobile Device Enrollment”
