

Dinesh Dhanaraj, MD, MSPH

Orthopedic Surgery

Dinesh Dhanaraj, MD is certified in orthopedic surgery and sports medicine by the American Board of Orthopedic Surgery. He is a member of the Arthroscopy Association of North America (AANA), American Orthopedic Society for Sports Medicine (AOSSM), and holds a Subspecialty Certificate in Orthopaedic Sports Medicine issued by the American Board of Orthopaedic Surgery (ABOS). He is a fellow of the American Academy of Orthopedic Surgeons (AAOS). Dr. Dhanaraj served on the Princeton Fitness and Wellness Center's Medical Advisory Board and is on the Editorial Board of the American Journal of Sports Medicine (AJSM). He also served as a ringside physician for the New Jersey State Athletic Commission as well as the orthopedic consultant to the American Repertory Ballet/Princeton Ballet School. He is currently also the team physician for Council Rock North High School Athletics.

Dr. Dhanaraj cares for patients facing a variety of orthopedic issues, specializing in the orthopedic medical needs of the sports community. He has a special interest in cartilage restoration and joint preservation.

About Orthopedics Langhorne

Our team at Orthopedics Langhorne is experienced in a full range of orthopedic therapies including joint replacement, minimally invasive surgical repair procedures and non-surgical orthopedic and sports medicine services. We provide a full continuum of care from diagnostics, leading-edge surgical techniques and therapy, to education, prevention, wellness and fitness all in a single setting.

We continue to develop innovative programs involving wellness, fitness, physical and occupational therapies and holistic healing.
