

# John G. Fernandez, MD, FACS

## Plastic and Reconstructive Surgeon

**John G. Fernandez, MD, FACS**, is a plastic and reconstructive surgeon specializing in microsurgery and lymphedema surgery. After completing his undergraduate education at the University of Virginia in Charlottesville, Virginia, Dr. Fernandez earned his medical degree from Temple University School of Medicine in Philadelphia, Pa. He completed his general surgery training at St. Luke's Roosevelt Hospital Center in New York, N.Y., and his plastic surgery training at the University of Tennessee College of Medicine in Chattanooga, Tennessee. Dr. Fernandez completed two additional fellowships in cancer research and microvascular and reconstructive surgery, both at Memorial Sloan-Kettering Cancer Center in New York, N.Y.

Dr. Fernandez is certified by the American Board of Plastic Surgery and is a member of the Northeastern Society of Plastic Surgeons, the American Society for Reconstructive Microsurgery, and the American Society of Plastic Surgeons. He is also a fellow at the American College of Surgeons.

Dr. Fernandez works to restore function, appearance and self-confidence through various surgical and non-surgical procedures. Offering complex cancer reconstruction, lymphedema surgery, cosmetic surgery, and body contouring after massive weight loss, Dr. Fernandez prides himself on the profound positive effect that he makes in the lives of his patients.
