

# Omer Nasir, MD, FACS

General Surgery

**Omer Nasir, MD, FACS**, is a board-certified general surgeon. Dr. Nasir specializes in open and minimally invasive robotic techniques for complex abdominal wall hernia repair, gastrointestinal surgery, surgical oncology, and colon and rectal surgery, along with extensive experience in acute care surgery. He is currently certified as a Master Surgeon in Robotic Surgery.

Dr. Nasir earned his medical degree from the University of Baghdad College of Medicine. He completed a formal surgical training prior to immigrating to the United States, where he then completed an internship in general surgery at the Johns Hopkins Medical Center in Baltimore, and a general surgery residency at the Cleveland Clinic Foundation, OH.

Dr. Nasir specializes in all types of hernia repair from the traditional, open technique to laparoscopic and advanced robotic techniques, leading a comprehensive hernia care program at Nazareth Hospital.
