

Heather A. Pauli, DO

Pain Management

Heather A. Pauli, DO, is a board-certified pain management physician. Dr. Pauli earned her medical degree from the New York College of Osteopathic Medicine. She completed her residency in physical medicine and rehabilitation at the University of Pittsburgh Medical Center, and her fellowship in pain medicine from Allegheny General Hospital – Western Pennsylvania Hospital Medical Education Consortium. She is accepting new patients at St. Mary Interventional Spine and Pain Center.

Dr. Pauli is a member of the American Academy of Pain Medicine, the American Academy of Physical Medicine and Rehabilitation and the American Osteopathic Association.

Her clinical skill is matched by her compassion. She is board certified in both physical medicine and rehabilitation and pain medicine by the American Board of Physical Medicine and Rehabilitation and the American Board of Anesthesiology.
