

## **Department of Aging Fingerprinting**

As a newly hired colleague joining Trinity Health Mid-Atlantic – Nazareth Hospital, please be aware that if you have lived outside the state of Pennsylvania at any time within the past two years, you are required to complete Department of Aging fingerprinting. Failure to complete this requirement may result in a delay to your start date.

- You will receive a service code and next steps through your background check through First Advantage (formerly known as Sterling) for the Department of Aging Fingerprinting Process.
- The fingerprint-based background check is a multi-step process.

All results will be available through First Advantage. [Applicant Background Check Results | First Advantage](#)

If you have any questions regarding the process to complete the background check, please contact our First Advantage partner through your preferred method.

Phone: 888-889-5248

Chat: [Care Portal USA](#)

If you have any additional questions regarding your preboarding requirements, please contact your Talent Acquisition Coordinator.
